## The funny things kids say or the hygge wisdom of children

Is there anything more likely to make you laugh and put a smile on your face than the innocent and funny remark of a child? Ever since Art Linkletter first published *Kids Say the Darndest Things* in 1957, people have laughed and been delighted with the innocent, funny things kids say. The Danes have a word for the feeling of happy delight that you get from simple things in life, such as the funny things kids say, it's called "hygge". In *I'm So Full of Happy Today: The Hygge Wisdom of Children* you will explore many of the funny things kids say in our world today.

**The hygge wisdom of kids:** It's not only endless, but often an endless source of joy, like these hilarious quotes:

- Miley, age 3, "When I grow up, I want to be pregnant. Or a princess."
- Jayden, age 5, "Mom, how old were you when you were my age?"

All of the stories have a very real and personal feel, and include the name and age of each child.
